

1. Benefits for Collegiate Band Programs and Auxiliary Groups

- Access to subscribed students' performance stats from Make Music data.
- View FAVs (Favorite Audition Videos) showcasing individual audition performances.
- Utilize Power Performance Stats Cards for a comprehensive overview of student capabilities.
- Access students' academic information, including Grade Point Averages (GPAs).
- Review student awards and accomplishments for additional insights.
- Evaluate student leadership experience to identify future leaders for your programs.

2. RECRUITMENT ADVANTAGES:

- Direct access to a diverse pool of subscribers from multiple locations—convenient and efficient.
- Significant savings on travel expenses typically incurred during recruitment trips.
- Optimized recruitment time with immediate access to band students and programs via the portal.
- Enhanced reach and visibility for your collegiate band program through the Audition Edge network.
